

Donald J. Klaes Classroom Education Grant Program

2023 - 2024 Proposal Form

Please read the Community Foundation of Jackson County's Classroom Education Grants guidelines before beginning the proposal process. The grant proposal process is easy and the grant is awarded directly to the applicant. A teacher may apply for more than one grant if he/she has many ideas. All teachers may apply, including special needs teachers, music, art, etc. Projects that appear to have already begun or are funded elsewhere will not be accepted. Please note that, if funded, a narrative and financial report, with receipts attached, will be required. Keep in mind that many Jackson County schools are participating in this endeavor. Since the Foundation has a limited amount of money to work with, not all good ideas will be funded. The maximum grant awarded is \$400.00. Please contact the Community Foundation office if you have further questions.

Proposals must be received no later than November 3, 2023
